CIRCULAR TO THE INDUSTRY

SUBJECT: RELOCATION OF DURBAN OFFICE

The Council is pleased to inform all employers and employees in the Road Freight and Logistics Industry that the Durban Office, currently located at Delta Towers (corner Pixley kaSeme and Dorothy Nyembe Streets), will be relocating to a new address effective 28 April 2026:

**1st Floor, The Marriot Building
Kingsmead Office Park,
2 Kingsmead Boulevard,
Stamford Hill,
Durban,

The new office space has been thoughtfully selected to better support our operations and provide an improved environment for both our team and valued Industry members. The building is well maintained, conducive for our industry members, and not affected by loadshedding. It offers improved services, ample parking, and enhanced security for both staff and clients. It is also ideally located close to public transport and major routes, making it easily accessible for our industry members.

Please note that all business operations will continue as normal during this transition, with no disruption to services.

We look forward to welcoming you to our new premises from Tuesday, 28 April 2026.

Should you require any further information, please contact your local Designated Agent.

Yours sincerely
