

INTRODUCING

RIDER

YOUR E-BUSINESS AI CO-DRIVER

We are pleased to introduce Rider, an E-Business AI Co-Driver designed to assist employers by providing quick access to information and guidance through the E-Business Portal.

BENEFITS OF RIDER

- ✓ Provides instant responses to frequently asked questions.
- ✓ Assists employers in navigating the E-Business Portal.
- ✓ Offers guidance on common E-Business processes and services.

Rider is accessible from your E-Business dashboard and is located directly below the E-Business Suggestion Box. Rider is integrated with the E-Business FAQ system to provide quick and convenient support.
